The Exeter Fire Department is currently seeking qualified candidates for the position of Assistant Chief. This position performs a variety of supervisory, technical and administrative work in supervision and administration of training, emergency medical services, fire prevention and fire investigation activities of the fire department. This position is third in command of the fire department.

The Exeter Fire Department protects 14,000 residents in the seacoast of New Hampshire. We provide a highly skilled paramedic level service and provide numerous opportunities to our personnel for advanced training in both fire and EMS. In 2014, the department responded to 1760 EMS calls and over 2787 fire/service calls.

Minimum qualifications include an Associate's Degree in fire science or related field required. A Bachelor's Degree in fire science, public administration or related field is highly desirable.

Experience sufficient to thoroughly understand the diverse objectives and functions of the position usually interpreted to require 10 (ten) to fifteen (15) years of general fire service experience, five (5) years of which should have been in a supervisory capacity.

Possess certifications as a Nationally Registered Advanced Emergency Medical Technician, (paramedic preferred); Fire Officer I and II; Fire Inspector II; Fire Instructor III; Hazardous Materials Technician; and Intermediate ICS for Expanding Incidents (ICS 300).

If you would like to be part of our progressive fire department and management team in a great community, please submit your resume to:
